

FIG. 1

**FIG. 1**

FIG. 1 is a perspective view of a rectangular frame assembly 10, including a plurality of parallel longitudinal members 12 and a plurality of parallel transverse members 14. The longitudinal members 12 are connected to the transverse members 14 at their ends by corner connectors 16. The corner connectors 16 are positioned at the corners of the rectangular frame assembly 10. The longitudinal members 12 are spaced apart from each other, and the transverse members 14 are spaced apart from each other. The corner connectors 16 are positioned at the corners of the rectangular frame assembly 10. The longitudinal members 12 are spaced apart from each other, and the transverse members 14 are spaced apart from each other. The corner connectors 16 are positioned at the corners of the rectangular frame assembly 10.
